

Fact Sheet

The **Interlocking Concrete Pavement Institute (ICPI)** is the trade association representing the growing industry of segmental concrete pavement systems in the United States and Canada. ICPI's membership includes producers, contractors, suppliers, design professionals, and distributors.

Industry Facts

- Overall 2015 U.S. and Canadian industry sales were 690+ million square feet, with a 14.5% increase in U.S. and 8.9% in Canada over the previous year.
- The residential market comprises 78.2% of all sales.
- Commercial sales, which includes municipal and industrial, accounted for 21.8% of sales, increasing by a 1% share over the previous year.
- Permeable interlocking concrete pavement systems continues to be a high-growth solution, increasing 36.2% in 2015 and comprising 15% of all commercial and municipal sales. It is a preferred means to meet national, provincial, state and local regulations to reduce stormwater runoff.
- There are more than 100 manufacturing companies making concrete pavers with more than 200 plant locations with machines in the U.S. and Canada.

ICPI Facts

- **Vision:** ICPI is the authority for concrete pavers, which are universally recognized as the best value for pavement systems
- **Mission:** To deliver education and technical guidance leading to awareness, acceptance and use of segmental concrete pavement systems in the United States and Canada.
- **Incorporated:** 1993
- **Membership:** more than 1,000 member companies in United States and Canada
- **ICPI Certified Concrete Paver Installers:** more than 2,300 installers
- **Professionals who have participated in ICPI Education Courses:** more than 30,000 design professionals, contractors, and industry sales professionals
- **Headquarters:** 14801 Murdock St, Suite 230, Chantilly, VA 20151, (703) 657-6900
- **Website:** www.icpi.org
- **Leadership:** Matt Lynch, Board Chair
Kendall Anderegg, Chair-Elect
Marshall Brown, PhD, Secretary/Treasurer
David Pitre, Immediate Past Chair
Charles McGrath, CAE, Executive Director
- **Press inquiries:** Dennis Smith, Director of Marketing and Membership, (703) 657-6898, dennis.smith@icpi.org
- **ICPI membership information:** (703) 657-6900, icpi@icpi.org, www.icpi.org/join/membership

ICPI Education and Certification Programs

ICPI education and certification programs provide contractors, sales professionals, design professionals, university professors and builders with numerous education opportunities including:

- Concrete Paver Installer Course and Certification
- Advanced Residential Paver Technician Course
- Commercial Paver Technician Course
- PICP Specialist Course
- Commercial Sales Courses
- Education and demonstration sessions at Hardscape North America www.HardscapeNA.com

- AIA, ASLA and GBCI approved continuing education courses for design professionals
- University curriculum for civil engineering and landscape architecture students

ICPI Technical Resources

ICPI offers members valuable technical guidelines and resources including:

- Tech Specs on design, installation and maintenance of interlocking concrete pavers
- Airfield, port and pavement design manuals
- Library of 1,300+ technical papers
- Structural Design Software
- Permeable Pavement Design Software
- Guide specifications and construction detail drawings
- Research and demonstration projects on maintenance, life-cycle costs and permeable interlocking concrete pavement software
- Standards development—industry representation on CSA, ASTM and ASCE standard-setting committees
- Product certification

ICPI Government Relations

ICPI identifies opportunities to educate policy makers about the concrete paver industry and legislation that will increase the market or support a positive business environment. ICPI also monitors regulatory agencies and regulations to support our members. ICPI assists members in supporting legislative efforts and developing the market for business opportunities at all levels of government.

ICPI Marketing Tools for Member Companies

- ICPI website: www.icpi.org
- Quarterly *Interlock Design* Magazine, interlockdesign.org (28,000 circulation)
- Industry Statistics
- Case study brochures showcase municipal parks, streets and airport applications
- Pavement Design Publications
- Brochures for homeowners and contractors
- *The Paver Express*, a bi-weekly e-newsletter on the latest developments in the industry
- Additional quarterly and monthly e-mail updates to members, design professionals and contractors

ICPI Networking Opportunities

ICPI offers representation at international conferences, trade shows and exhibits and also participates in regional and national meetings and events including:

- Hardscape North America—www.HardscapeNA.com – the largest national hardscape trade show for dealers and contractors
- Trade show participation—ICPI endorses the ICON X-Change
- Canadian Planning Meeting—ICPI hosts a Canadian Planning Meeting annually to discuss Canadian issues and initiatives
- Association membership—ICPI maintains active memberships with user associations

ICPI Foundation

The ICPI Foundation for Education and Research supports, develops and conducts educational programs, seminars, courses and research, and disseminates information relating to interlocking concrete pavement.
